Leader Training

All volunteer leader training is position specific. Scoutmasters, Den Leaders, Cubmasters, Committee Members, etc. have their own training needs. (Requirements to be considered basically trained). The parts are the same for most but the information is different. Now there are many trainings available via the internet at <http://hoosiertrailsbsa.org/training>

Fast Start – Packs, Troops, Teams, and Crews have videotapes with position specific programs for each job in their unit. A volunteer can watch it all but only needs to watch the part about his/her job. Fast Start is also online at hoosiertrailsbsa.org.

Leader Essentials – A part of basic training for all volunteer leaders no matter what their position. It covers basic structure, purpose, aims and methods of the Boy Scouts of America. It is a Power Point presentation by district trainers. Watch for training course dates or contact your district training chairman.

Position Specific – Each volunteer job has its own, i.e. Troop Committee member and Pack Committee members have a different job and a different training. The course for each job is taught by district trainers. Watch for training course dates or contact your district training chairman.
